

Conference And Event Registration

Good customer service can often be the determining factor in whether an attendee returns to your event, year after year. With Contact One Call Center, you will be assured excellent customer service. We can handle your event registration call overflow needs 24 hours a day, 7 days a week, 365 days a year. Not only can we provide support during the day when your agents are busy, but we can provide after hours support when your staff leaves for the evening, and we are here for you on weekends too!

- Event & Conference Registration
- Online Conference Registration
- Individual Conference Registration
- Group Conference Registration
- Conference Payment Processing
- Conference Information

New technology and the internet have changed the way people register for events, trade shows and conferences. If you need help with the registration process for your event, we're here to help. Online registration is quick, easy, painless and very affordable. It also allows us to provide you with instant access to real-time registration data, which can help you in your marketing efforts, attendance forecasting and vendor relations.

Why Use Contact One Vs. Doing It On Your Own?

Cost – If you do the math, you will find that in most instances hiring a sufficient amount of staff to accommodate your needs will be a lot more than you bargained for.

Convenience – Planning and executing a conference is tough enough as it is. Why take on the extra burden of the registration process when you can save money and time?

Reliability – We've been in business for over 50 years, and we pride ourselves in providing our customers with unparalleled service. We strive to meet and exceed industry standards on all services we provide.
