

Product Information Requests

CONTACT ONE

Customers want information. They want it at the oddest hours. Can you supply it to them with your current staff?

Contact One can become your always-on-duty customer consultation center for product information inquiries.

All we need is your information. Our systems are so advanced, our agents so highly motivated, well-trained and enthusiastic that your customers will love to hear it from us. With us you can provide responses to customer inquiries that are professional and help make new inquiries into satisfied customers.

With our fulfillment functions, we can handle literature and catalog distribution from the phone inquiry right through the point where the requested material gets into the mail. It happens quickly and accurately. Your sales go up without the most efficient operating costs to provide the service to your prospects.

Call us today. We'll show you how.
